

*The Jewish Genealogical Society
of Great Britain*

*This is to certify that
Todd Knowles
has been entered on the
Society's*

ROLL of HONOUR

*for his distinguished services in the
development and publication of resources
concerning the Jews of the British Isles.*

*His database (including the Isobel Mordy
Collection) contains linked and sourced
entries from more than a hundred thousand
individuals, providing invaluable
information for those researching their
Anglo-Jewish ancestors.*
